

**Please set out trash in trash cans or other containers, not just in plastic bags set on the street!
Trash should not be put out before 5 PM on the evening prior to the scheduled collection day per Ordinance 3-99.**

Recycling

These items can be commingled in your recycling bin:

Cans: Aluminum beverage cans. Steel and tin food and beverage cans. Please rinse the can and remove the lid or push it into the can. No need to remove labels. No foil or food trays, please!

Glass: Food and beverage containers such as jars and bottles only! Clear, green or brown glass. Remove lids and rinse. Leave labels on. No light bulbs, mirrors, window glass, etc. Cans and glass may be mixed together in the same recycling container.

Plastics: #1 and #2 food and beverage containers and laundry product bottles. The number is on the bottom of the bottle. Most soda, milk and water bottles fit this category.

Paper: Newspapers, including all the inserts that come with the newspaper, and magazines may be recycled. Place in paper grocery bags or tie in bundles; put on or next to recycling bin.

NO HAZARDOUS WASTES!

Car batteries, gasoline, motor oil, pesticides, oil-base paints and other toxic and hazardous materials do not belong in the trash! Call Northampton County at 610-559-3000 ext. 0 for information on disposing of these materials. Many auto stores accept used motor oil and car batteries.

**No Construction Debris!
No tires!**

Yard Waste

& Christmas trees should be set out on regular collection days. It should be bagged or placed in containers.

Bulk Items One bulk item may be placed out per week on trash pickup day. Freon must be removed from refrigerators, freezers, air conditioners and dehumidifiers by an appliance dealer or refrigeration mechanic and the appliance marked with a sticker. (Federal law.)
